

The Spirit of Giving
The Knightly News and Steve Soreff, MD

The Nottingham School's Community Standards: **KNIGHTS** means being: **K**ind, **N**ecessary, **I**nclusive, **G**rateful, **H**ardworking, **T**rustworthy, and **S**afe. This spirit of giving, appreciation, and love was demonstrated by the Nottingham School fifth-grade students. They wrote cards to veterans that were on the Grateful Tree. These cards will go to a local veteran's hospital.

Grateful Tree - Grade 5! Grade 5 is grateful for the service of all our veterans! After brightening our own school hall for a bit, these cards will be passed along to decorate the halls of a local veteran hospital!!!
