Community Yard Sale June 11, 2022

Steve Soreff, MD

One of the great warm-weather events is yard sales. Why not have a Nottingham Community Yard Sale.? So thought the Director of Nottingham Park & Recreation Department, Kortney Dorow Duball. She said, "In my time here in Nottingham, this will be our first ever community yard sale and Plant swap. We are so excited to bring the community together for great conversation and the opportunity to trade plants or buy/sell items from your neighbors.
