

USS Bronstein DE 189

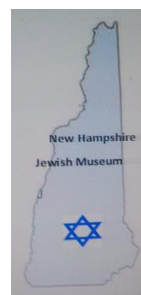

New Hampshire Jewish Museum Opens Nov. 15, 2022
Steve Soreff, MD

On Tuesday, November 15, 2022, at 6 PM there will be the opening ceremony of the New Hampshire Jewish Museum (NHJM). It is located in the Jewish Federation of New Hampshire's office at 273 South River Road, Bedford. To attend this event in person, you must register for it with [the Jewish Federation's office](https://www.jewishnh.org/) <https://www.jewishnh.org/>. There is a Zoom option with the link provided when you register. There will be light refreshments.

The Museum's mission is to collect, preserve and display the Jewish history of our state. The museum tells the long overdue story of the Jews in New Hampshire all in one place. It was funded in part by a grant from the [New Hampshire Charitable Foundation](#).

The NHJM will start with its first exhibit will be the life and times of Doctor Benjamin Bronstein. He was a Jewish Manchester physician who died when his destroyer was torpedoed by a Nazi submarine in 1942. The Navy commissioned a destroy escort for him called the [U.S.S. Bronstein](#). There is [Bronstein Park](#) in Manchester honoring him.

With the recognition of Dr. Bronstein and the launching close to Veteran Day, the museum will honor all the New Hampshire Jewish veterans past and presently serving. It is compiling a list of those veterans. These veterans will be acknowledged as part of the opening ceremony.

For more information and to become involved in the NHJM, please contact Stephen Soreff, MD at 603 895-6120 or email soreffs15@aol.com.
