

The Dirigo Vintage Baseball Club

A Vintage Baseball Game Sunday, Oct. 16

Steve Soreff, MD

As the Red Sox announcer often says, “would you believe!”. On Sunday, October 16, 2022 at noon on the field next to Community Center there will be a 1860’s baseball game played between the [Dirigo Vintage Base Ball Club](#) and the newly constituted Nottingham Swingers.. “The Dirigo Vintage Base Ball Club is a non-profit, educational and living history organization dedicated to preserving and promoting the game of Base Ball as it was played during its formative years in the mid-nineteenth century and other historic eras.” You can see the Dirigo team in action on this WMUR’s [Chronicles](#).

This part of the 300th Committee’s yearlong celebration of the town’s anniversary. It is being played using 1860’s equipment and following that era’s rules. It will be great fun. Come out to see the opening pitch and the boys of summer now fall “play ball!”.
