

Family Pumpkin Festival Oct 22 4-7:30 PM

Steve Soreff, MD

Kortney Dorow Duball, Nottingham Parks and Recreation Director announced the Family Pumpkin Festival for 2022. “Our Family Pumpkin Festival is going to be an amazing community event with lots of fun activities for any age. The event is being held at the Town Hall on Saturday, October 22nd from 4:00PM to 7:30PM. We are going to have our annual spoOky walk which will happen outside of the town hall weather permitting. There will also be food sold by Black Bear Lacrosse and kettle corn made on site by Fireside Kettle Corn.

Last year’s spoOky walk

Carving pumpkins last year as part of Family Pumpkin Festival

Other fun activities include a S'mores table, marshmallow cooking station with fire pits, as well as pumpkin carving. We are so excited to introduce our Jack-O-Lantern Spectacular where all of the carved pumpkins will be lit on display for the whole town to enjoy! And we are also going to be introducing a small and free raffle for the community members. There will be other small things like a photo booth and a costume contest. Registration is now open for the event and it will be an extra \$5 if you want to purchase a pumpkin from us to carve. However, families are more than welcome to bring their own pumpkin which will be free of charge. Overall, this will be a great night for the friends and families of Nottingham Recreation and we can't wait to see everyone all dressed up that night!"

To register go to Nottingham town [website](#). Under Parks & Recreation click on [Community Celebrations](#). Then click on [Sign up for these events click here!](#) Finally, click on Family Pumpkin Festival.

Enjoy and see you there.
