["High Range"](#) is an energetic roots/folk/bluegrass group with a long list of rave reviews from national publications. They highlight original music with a mix of cover songs on guitar, upright bass, mandolin, fiddle, banjo and drums. Their song, "Leave This All Behind" (Kneeland/Jones) hit #1 on Music Choice for the week of July 18 – July 24, 2004. Lauded by critics from Portland to Nashville, Beyond the Foothills has received a coveted highlight review in Bluegrass Unlimited, the premier bluegrass journal. "The vocals are tight and true; the instrumental work impressive, the songs a pleasure to hear repeatedly," raves reviewer Dave McCarty, adding "High Range has forged a tight, compelling ensemble sound that is highly musical and thoroughly entertaining." In addition, national magazine Bluegrass Now's critic Tim Walsh selected Beyond the Foothills as one of his top five records of 2003, touting the group's "excellent songwriting and musicianship."

As Rec Director Kortney Dorow Duball, said "This year, the Summer Concert Series is going to be awesome!!! Bring the family for FREE live music, great company, and so much more! There will be yard games, firepits set up for smores, refreshments, and build your own Floral Bouquets! Donations will be accepted to sustain this event. Make sure you stop by the Rec booth to check out what's happening, purchase a Concert Junkie T-shirt, and more! Do you have lots of flowers and feel like sharing?? We are accepting flower donations on the Monday prior to the concert evenings. You can drop off any donations at the Rec Office, located at the Town Hall." Don't forget to bring your chairs. See you there 😊
